

2010 ICTM Annual Meeting and Conference

There will not be a 2010 ICTM Annual Meeting and Conference due to the 2011 NCTM Annual Meeting being held in Indianapolis in April 2011. The ICTM Annual Meeting and Conference will resume in the fall of 2011.

Due to budget constraints for most school districts, the 2010 ICTM Annual Meeting and Conference will not be held. We hope to help encourage everyone to attend the 2011 NCTM Annual Meeting being held in Indianapolis in April 2011. ICTM is the host organization for this major event. At the 2011 NCTM Annual Meeting being held in Indianapolis in April 2011 you can attend sessions and workshops with national and international speakers. The vendors will fill the entire convention center great hall. ICTM does not want its' members having to choose between attend the fall ICTM Annual Meeting and Conference and the 2011 NCTM Annual Meeting being held in Indianapolis. We hope everyone will attend the 2011 NCTM Annual Meeting being held in Indianapolis and also sign up to be a volunteer. For more information on how to attend please go to the NCTM web-site at: <http://www.nctm.org/conferences/>. If you would like to volunteer please contact Bill Reed at HSEMathTchr@comcast.net
